COMPANY’S QUALITY POLICY – (QP 412)

The objectives of the integrated management system are to provide our customers with products that meet or exceed their requirements and/or the requirements of recognized industrial standards.

- It is the policy of Well Services Petroleum Company Limited to provide repair services that meet or exceed our customers’ requirements and comply with all statutory and regulatory requirements. We accomplish this by adhering to our management system and operational methods that recognize customer satisfaction as a primary goal.
- We strive to continually improve the effectiveness of our quality management system and our commitment to customer satisfaction by monitoring our performance against our established objectives and through leadership that promotes employee involvement. This concept represents Well Services Petroleum Company Limited commitment to quality and the increasing need to better serve a growing and demanding customer base.
